IDEA BOOK

// FleecePro Quality

Our expertise is in finding the sweet-spot between luxury and affordability. We are driven by designing fabrics that are thicker and softer because we believe that when it comes to blankets, quality matters.

Andrew Lesser, President

SCREEN PRINTING & IMAGE BONDING

A cost effective way to display a logo or message in a big and bold way.

SUBLIMATION PRINTING

If you are looking for large, picture-quality embellishment then this is the way to go.

EMBROIDERY

By far, the most popular way to decorate our products.

LASER ETCHING

Adds dimension and a touch of class.

Decorated blankets are almost as much fun to give as they are to receive.

OVERSEAS PRINTING & PACKAGING

PANEL PRINTS

Using fiber reactive technology that is unavailable in North America, we can supply thick and soft blankets featuring full-coverage, 12-color images. The #1 blanket technology choice of MLB, NFL, NCAA, Nickelodeon, Disney and so many other prestigious companies.

CARRY STRAPS

Available in our in-stock program. Choose from 7 elastic strap colors to give your blankets a clean and crisp presentation.

VINYL ZIPPER BAGS

Available in our in-stock program. Our vinyl zip bags have a classy rope handle and an insert pouch for your added message.

RETAIL PACKAGING

Custom designed packaging options with your branding for that retail-ready look.
