2018/19

Dear Wholesaler–

Could your company benefit from our multi-million-dollar fleece blanket drop ship program? If you sell blank or decorated merchandise to the Promotional Products Industry, the answer is YES!

Since 2001, FleecePro has been supplying leading ASI & PPAI Suppliers and Blank Wholesalers with blankets for their product lines. We provide our partners a risk-free method of generating residual income by stocking the best-selling unbranded blankets and accessories in the U.S. In fact, our inventory is the largest in North America and we have 5 warehouses across the U.S. to ship from.

To start benefitting, all your company has to do is market these products as you would your current line. We'll even provide product samples and marketing materials to help you get started. As orders start coming in, then place your orders with us. It's that simple...We Stock, You Sell.

Some Key Benefits of our In-Stock Program:

COMPETITIVELY PRICED You will be buying directly from the importer/manufacturer.

SUPERIOR QUALITY Engineered to “wow” your customers for repeat business.

UNBRANDED Enables you to sell them as your own brand while keeping our identity hidden.

SAME DAY SHIPPING We understand your need to fill rush orders.

INNOVATIVE STYLES So you have the products to sell that your customers want

5 WAREHOUSES Saves time and freight costs as well as the need to use your own warehouse space.

NORTH AMERICA'S LARGEST INVENTORY Allows you to never lose an order without investing a dime.

We understand that your success is our success and we are here to support you in every way possible. Our goal is to build a long-term relationship with you and our mission is to thrill you with each and every order you place. We'll be more than a vendor, we'll be your partner.

To find out more about our products and services please visit www.fleecepro.com.

To check inventory and to place online orders visit www.fleecepro.net (log-in credentials required).

On behalf of the entire FleecePro team we thank you for considering our company.

With warm regards,

Andrew Lesser
